RWN CHARITY SHOP

The RWN Charity Shop is a Social Enterprise. All profits from the shop go directly to support the work of the project and enables us to continue offering our free and low cost supports around the county. We greatly appreciate the donations which we receive from families around the county. A dedicated team of volunteers keep the shop open 6 days a week. The shop stocks good quality clothes for men, women and children. We can boast a superb book corner and DVD rack to suit all tastes. We donate teddies, toys and books we don't sell to Roscommon SPCA, local hospitals and nursing homes.

We are on Thriftify

Empower every purchase. Products need to become sustainable and ethical. Too often good prices and quality come at a cost. Thriftify wants to transform purchasing so that every item you buy has a positive effect on people, planet and communities. Great gems from sustainable sources at playful prices to buy direct from charity shops like RWN on Thriftify.com. Thriftify is the platform creating movement of positive purchasing by connecting charities and ethical, sustainable business with consumers who cares.

Textile Upcycling Project

Inspired by the Great British Sewing Bee and interested in learning how to upcycle textiles? Then Roscommon Women's Network have a training course just for you this Autumn. Discover how to identify which fabrics are suitable for upcycling, learn how to deconstruct a garment, pick up new cutting and pattern making skills as well as basic machine sewing techniques all while learning about the effects of textile waste on the environment. Courses run for 6 weeks from September in Monksland and Roscommon Town. Contact Martina at mhourigan@rwn or call 094 9621690 for further information.

The CycleUp e-store is now open for Click and Collect and Delivery! rwn.ie/store. Thanks to 'The Community Foundation for Ireland RTÉ Does Comic Relief' for their support in our digital marketing efforts! The RWN Upcycling Training and the CycleUp brand have been developed under the WECAN project by RWN and is funded by the EPA's Green Enterprise Programme, an initiative of the National Waste Prevention Programme. Supported by Patagonia, GRETB, Creative Ireland Roscommon County Council, and The Rediscovery Center Circular Academy.

RWN Strategic Plan 2019-2024 Launch

Our five year strategic plan was launched on the 8th March with the support of many policy makers, agencies, RWN service users and the community. Among our guests were: Ruth Scott, former RTE Radio 2 DJ, Marian Harkin MEP, CEO Eugene, Cummins, TD Eugene Murphy and Local Councillors. It came out as a great event.
