

# QQI LEVEL 5 RETAIL PRACTICES (RNB8G)

## Description:

### Full Time Day Course

The programme aims to provide learners with the ability to display a broad range of knowledge, skills and competence in the retail environment. Demonstrate knowledge of theoretical concepts and legal obligations relevant to retail practices. Demonstrate a broad range of specified cognitive and practical skills related to their core as well as their elective module choices. Apply judgement in responding to customers' needs while operating in a retail environment.

Demonstrate a specified range of knowledge, skills and competence, which is determined by their elective module choices, as required for their chosen career path. Evaluate their own personal learning and self-development and reflect on the role of the retail sector within the broader community.

This programme leads to a **QQI Level 5 Major Award in Retail Practices** for learners who meet the award requirements.

## Course Modules:

- Communications
- Database Methods
- Retail Administration
- Retail Selling
