RWN CHARITY SHOP

The RWN Charity Shop is a Social Enterprise. All profits from the shop go directly to support the work of the project and enables us to continue offering our free and low cost supports around the county. We greatly appreciate the donations which we receive from families around the county. A dedicated team of volunteers keep the shop open 6 days a week. The shop stocks good quality clothes for men, women and children. We can boast a superb book corner and DVD rack to suit all tastes.

Clothes which do not sell are transferred to our CycleUp textiles team to be transformed into beautiful new products (see CycleUp section for more details).

We are on the www.Thriftify.com - online charity shop and we are members of "Charity Shop Ireland"

CycleUp Textile Upcycling workshops and Training

CycleUp's accredited upcycling tutors design and deliver practical, informative and fun **Upcycling Textiles Workshops** for Community groups, Workplaces and Schools where participants learn to make a simple but useful item from unsold textiles from RWN charity shop in an informal social setting while learning about what can be done to reduce the impact of textile waste on the environment. Seeking Safety Pilot Project

Would you like to make your future better than your past? Seeking Safety is a treatment program for women who have experienced trauma, addiction, gender-based violence and/or mental health challenges. It teaches good coping skills to help people to move beyond trauma and addiction. The core goal is to gain safety in your life and to learn to manage addictive behaviours, emotions, impulses and past traumas. It is a free program and can be done in a group or one-to-one setting and is being delivered in various locations around the county including Castlereagh, Ballaghaderreen and Monksland. The national Seeking Safety pilot project is supported by the Department of Health through its Women's Health Fund and is being run in partnership with six other community projects around the country.

Intercultural Art Project

RWN's Intercultural Art Project will run from September 2023 to May 2024 & consists of weekly meetups in Ballaghaderreen, Castlereagh, Roscommon and Monksland as well as monthly meetups with all of the local groups coming together at our training centre in Athleague. Transportation will be covered for the monthly events as well as lunch and childcare costs. Using textile waste from our charity shop in Castlereagh, an art piece will be designed and created by the women over the nine months, which will be showcased at a closing public event in Roscommon town.

This project is a chance to meet new people in your own area as well as women from different communities across Roscommon, and to be a part of creating a vibrant art piece which will be designed and led by the women involved. For more information or to express your interest in being a part of this project please contact Aine at atreanor@rwn.ie, call or text 086 4424695 or contact us on social media pages
